ATX Energy Partners, LLC *(Realized)*

ATX Energy Partners, LLC was an Austin Texas-based exploration and production company focused on the acquisition and development of acreage positions in unconventional domestic oil and liquids resource plays.

Brigham Resources, LLC *(Realized)*

Brigham Resources, LLC was an Austin, Texas-based oil and gas exploration and production company. Brigham had two strategies: (i) acquire and develop acreage positions in unconventional domestic oil and liquids resource plays and (ii) acquire the perpetual right to non-operated oil and gas minerals in resource plays from the early land capture stage to “just ahead of the drill-bit”. In December 2016, Brigham Resources sold its leasehold interests and related assets to Diamondback Energy (NASDAQ: FANG) for total proceeds of \$2.55 billion.

Cahill Services, LLC *(Realized)*

Cahill Services, LLC was a Houston, Texas-based provider of specialty rental equipment services to customers in the oil & gas, refining, industrial, petrochemicals, utilities and related industries. In May 2022, Cahill completed a sale to Rental Equipment Investment Corp. Terms of the transaction were not publicly disclosed.

Common Resources, LLC *(Realized)*

Common Resources, LLC was a Houston-based start-up oil and gas exploration and production company focused on the development of non-conventional resource plays in the domestic onshore basins of the Gulf Coast, West Texas and Mid-Continent. In May 2010, Common’s assets were sold to EXCO Resources, Inc., BG Group plc and Talisman Energy Inc. for \$805 million.

Common Resources II, LLC *(Realized)*

Common Resources II, LLC was a Houston-based oil and gas exploration and production company focused on the development of non-conventional resource plays in the domestic onshore basins of the Gulf Coast, West Texas and Mid-Continent. The company was formed in 2010 by the founders and executives of Common Resources, LLC, following the successful sale of Common I to EXCO Resources, Inc., BG Group plc and Talisman Energy Inc. for \$805 million. In August 2012, Common Resources II, LLC was sold to a publicly-traded exploration and production company with assets in the Permian Basin.

Common Resources III, LLC *(Realized)*

Common Resources III, LLC was a Houston, Texas-based oil and gas exploration and production company. Common III was formed in 2012 by the founders and executives of Common Resources II, LLC, following the successful sale of that company.

Elevation Resources Holdings LLC

Elevation Resources Holdings LLC is a Midland, Texas-based oil and gas exploration and production company focused on acquiring and developing partially de-risked and development stage resources in the Permian Basin (West Texas and New Mexico).

Forge Energy, LLC *(Realized)*

Forge Energy, LLC was a San Antonio, Texas-based oil and gas exploration and production company. Forge focuses on developing domestic onshore oil and gas resources, both conventional and unconventional. In December 2017, Forge was sold to Oasis Petroleum Inc. (NYSE: OAS) for a mix of cash and stock equivalent to approximately \$946 million.

Global Oilfield Services, LP *(Realized)*

Global Oilfield Services, LP was an oilfield products and services company focused on the artificial lift sector, targeting domestic and international onshore markets. Global focused on the high value-added segments of artificial lift equipment, primarily electrical submersible pumps. In November 2011, Global was sold to Halliburton. Terms of the transaction were not publicly disclosed.

GR Energy Services Holdings LP *(Realized)*

GR Energy Services Holdings LP was a Houston, Texas-based oilfield products and services company focused primarily on onshore production and downhole completion services in North America.

Phoenix Exploration Company, LP *(Realized)*

Phoenix Exploration Company, LP was an oil and gas exploration company operating primarily in the onshore Gulf Coast and shallow state waters of southern Louisiana. In August 2011, Phoenix was sold to Apache Corporation. Terms of the transaction were not publicly disclosed.

Pursuit Oil & Gas, LLC

Pursuit is a Houston, Texas-based oil and gas exploration and production company engaged in the identification, evaluation, acquisition and development of unconventional oil and gas projects in the United States.
